

HATFIELD AND COMPANY

Hatfield and Company provides industrial, institutional and commercial products and solutions for filtration, instrumentation, loading, valves, steam and piping. For more than 65 years, Hatfield has set the standard of service by helping our clients improve their efficiencies and output by providing durable quality products that perform consistently and save money.

Proudly based in Texas with 18 regional offices, we are a distributor and manufacturer's representative of innovative products and technical solutions. Our portfolio of products and solutions is comprehensive across all markets.

Hatfield and Company offers a wide variety of filters to fit your specific industrial needs.

3M

High Efficiency Filter Cartridges, High Flow Liquid Filters

AJR

Liquid Bag Filters, Cartridge Filters, Dust Collector Filters

CLEANOVA / DOLLINGER

Compressed Air & Gas Filters, Air Intake Filters, Liquid Filters

EATON FILTRATION

Cast Strainers, Bag Filters, Automatic Strainers

FIL-TREK

Filter Vessels, Backwashable Filter Systems, Cartridges

GLOBAL FILTER / FILTRATION GROUP

Cartridge & Bag Filter Vessels, Bag & Cartridge Filters, Membranes

HATFIELD FILTRATON

Rental & Trial Vessels, Bags & Cartridges

JONELL / FILTRATION GROUP

Gas & Liquid Cartridge Filters

KAYDON / FILTRATION GROUP

Liquid Filters, Coalescers, Turbine Oil Conditioners

NOWATA / FILTRATION GROUP

Air & Gas, Bag, Liquid & Backwashable Filters, Filter Vessels, Separators & Fabricated Strainers

VEOLIA

Liquid Cartridge Filters & Membrane Filters

Hatfield offers an array of services to optimize your filtration system. These include particle and spent filter analysis, filter surveys and presentations by our filtration product manager. We also offer inventory management on-site.

Hatfield and Company offers an extensive variety of instrumentation and measurement technologies.

A+ CORPORATION

Analyzer Sampling Conditioning Components, GENIE™ Membrane Separators

ASHCROFT

Pressure Transducers, Transmitters & Switches, Pressure Gauges

BARKSDALE

Pressure, Temperature & Level Switches, Transducers, Valves

DREXELBROOK*

RF Admittance Level Instrumentation, Ultrasonic, Magnetostrictive, Hydrostatic Open Air Radar & TDR Instrumentation, Level Switch

GEMS

Liquid Level Sensors, Flow Switches, Pressure Switches & Transmitters

ITT NEODYN

Pressure & Temperature Switches, Analyzers

KING INSTRUMENT

Flow Meters, Commercial & Industrial Rotameters

PATHWAY

Electric & Pneumatic Level Control Switches

PHYMETRIX

Moisture Analyzers, Dew Point Analyzers

REOTEMP

Bimetal Thermometers. Pressure Gauges, Diaphragm Seals

RKI

Portable, Wireless & Fixed Gas Detection

TESCOM*

Precision Gas & Liquid Pressure Regulators to 15,000 psi

**Not available in all locations*

Hatfield and Company offers instrument assembly & calibration on-site or in our offices. We offer gauge & instrument surveys at your facility.

Hatfield and Company provides high quality valves & actuators for the Industrial, Commercial and Institutional markets.

A-T CONTROLS / TRIAC

Ball Valves, V-Port Ball Valves, Actuators, Controls, Positioners

ACCUMULATORS, INC

Bladder & Diaphragm Accumulators to 10,000 psi

ARI ARMATUREN

Safety Relief Valves, Triple Offset Butterfly Valves

BUTECH

High Pressure Needle, Ball & Subsea Valves

EATON / WRIGHT AUSTIN

Air, Gas & Steam Separators, Exhaust Heads, Air Vents

HASKEL

Air Driven Liquid Pumps & Gas Boosters

PATHWAY CONTROL

Controls Valves

ROTORK

Electric, Fluid Power, Process Control Actuators, Gearboxes & Valve Accessories

TOBUL

Bladder & Diaphragm Accumulators to 40,000 psig

TRETTER

Sampling, Drain, Diverter & Mixing Valves

UPDATE SYSTEMS

Actuators

VALVE SOLUTIONS (VSI)

V-Segmented Ball Valves, Butterfly & Globe Valves, Pneumatic & Electric Actuators

Hatfield provides in-house or on-site valve assembly, as well as installation services. In addition, our Machine Shop focuses primarily on mounting kits for valve automation.

VALVES, ACTUATION & PIPING

Hatfield and Company has multiple solutions to provide steam, heating and condensate products that save energy.

ARMSTRONG*

Steam Traps, Hot Water Solutions, Condensate Pumps, Air Vents & Drains

CHROMALOX

Electric Heat Trace Cable

DEKORON

Pre-Insulated Tubing for Steam Transport & Condensate Return

HEAT EXCHANGER GROUP

Heat Exchangers, Replacement Plates & Gaskets

THERMOMEGATECH

Freeze & Scald Protection Valves, Temperature Control Products

WCR

Heat Exchangers, Replacement Gaskets & Parts

**Not available in all locations*

Hatfield and Company offers Steam Trap Surveys and Thermal Assessments. Our Trained technicians will come to your facility. We also offer Steam Training at our on-site Training Room in our Rockwall, TX location.

Hatfield and Company provides many loading, access and safety related products.

BULLARD

Loading Rack, Bridges & Stairs

CARBIS

Access Equipment, Marine Loading, Modular Access Platforms

EMCO WHEATON

Liquid Loading Arms, Swivel Joints

EXCEL

Loading Arm Systems & Components

HUGHES SAFETY

Safety Showers

OPW

Loading Arms, Swivels & Couplers
